NearBY's Cookie Policy

Why and who?

NearBY AB, registration number 559377-0307, ("**NearBY**", "**we**", "**us**", "**our**") is using cookies and other tracking technologies ("**Cookies**") in order to improve your user experience.

This Cookie Policy ("**the Policy**") describes NearBY's usage of Cookies by explaining what Cookies are, why we use them and how you can control the usage of Cookies when you use our service - The application utilizes geographical features to facilitate connection between users on the social platform. - and/or our Webpage www.nby.app (commonly referred to as "**Webpage**"). The Policy does not inform about the usage of Cookies that are essential in order to provide the Webpage and its services to you (so-called *strictly necessary cookies*).

For more information about how we process your personal data in relation to Cookies, see our Privacy Policy([Privacy%20policy_\(squarespace.com\)](http://Privacy%20policy_(squarespace.com)))

What are Cookies?

A Cookie is a text file that is sent from the Webpage and stored on your computer, cell phone or any other device that you use to visit the Webpage.

Cookies allow us to e.g. recognise the device you use next time you visit the Webpage, provide certain essential functions and to monitor user behavior on the Webpage.

How long is the Cookie stored?

There are two types of Cookies; Session cookies and Permanent cookies.

Session cookies are deleted when you close the browser (e.g. Internet explorer, Safari or Google Chrome).

Permanent cookies remains on your device after you have closed the browser. The Cookie will be stored for as long as it is indicated in the Cookie or until you remove it.

NearBY's usage of Cookies

We use the following types of Cookies:

Preference

These Cookies remembers your choices on the Webpage (e.g. username, language etc.) and tells us how you have interacted with the Webpageso that we can personalise the service.

Performance

These Cookies analyse how you use the Webpage and monitors the Webpage's performance. This helps us to identify and manage eventual problems. A performance cookie can e.g. keep track of the traffic on different pages and give us information on how long it takes for a page to load.

Operation and optimisation

These Cookies help us ensure that the Webpage is working as it should. It also gives us information which allow us to test new ideas and improve the Webpage.

Security

These Cookies help us increase the security by preventing, detecting and managing harmful activities on the Webpage.

Managing Cookies

When you visit the Webpage for the first time we ask for your consent to use non-necessary cookies. You can withdraw your consent at any time. If you no longer wish to store the Cookies you have accepted, you can go to your web-browser settings and accept, deny or remove cookies (usually under "Help", "Settings" or "Edit"). Note that you will likely not be able to use all services on the Webpage if you choose to deny Cookies.

Changes to this Policy

We reserve the right to make changes in this Policy. If a change affects our obligations or your rights, we will inform you about the changes in advance in order to give you the possibility to accept the updated policy.
